The meeting started at 11.00 A.M. with Dr. Jose p. Verghese in the Chair. The members present **were of unanimous opinion that before proceeding with the individual cases one by one they should decide the criteria on the basis of which each case should be examined** for exemption from clearing the NET/SLET test, for appointment to the post of Lecturer in various universities and colleges.

The Committee adopted the following criteria.

1. All the non- NET/non SLET candidates belonging to the

NAGPUR UNIVERSITY TEACHERS' ASSOCIATION

TALUKA UNIT ELECTION : NAME OF THE TALUKA

2) Name of the Candidate

3) Postal Address of the candidate including Pin

5) Life membership No. of the candidate.....

6) Date and Time.....

I am willing to serve, if elected as above.

Signature of the candidate

relevant subjects in which **NET/SLET is not conducted by the UGC** should be recommended for exemption from NET/SLET.

2. The Candidates who had not cleared the NET/SLET at the time of appointment and **have subsequently acquired M.Phil or Ph.D. degrees**, as on date, are to be recommended for exemption subject to the condition that those who obtain M.Phil will be qualified to teach upto UG level only.

3. **With regard to the candidates who had not cleared the NET/SLET at the time of selection or appointment** and were otherwise found qualified and appointed against existing vacancies on the recommendation of the Selection Committee but were not appointed on a regular basis for lack of NET/SLET clearance and due to non approval from the concerned authorities, the **Committee was of the opinion that if the said appointees have been in continuous service for a period of five years, they will be recommended for exemption from NET/SLET. The Committee further finds that such appointments at the initial stage were only irregular, in the sense, that it is not illegal though the other requirements for regular appointment such as qualifications, selection procedure and existence of vacant posts etc. were duly met and therefore could be regularized.** The committee feels that their appointment was necessitated due to non availability of NET/SLET qualified candidates and their five years service is considered to be sufficient for regularizing their services,

4. For those candidates who have been appointed **without clearing the NET/SLET exemption for a period of 4 years** if their initial appointments were made due to non availability of candidates having cleared NET/SLET examination as that would be an incentive for such candidates to strive for additional qualifications to **extend the period of passing the said examination within another 4 years.**

5. While circulating the Notification No. F-3-1/2000(PS) dated March, 2000 on Minimum qualifications for appointment of Lecturers UGC had intimated that the respective universities and management of colleges shall make appropriate changes in their Statutes/Ordinances/Recruitment Rules for the post of Lecturers it is observed that many of the universities are yet to comply with such directions. The Committee recommends that a fresh directive may be issued in this regard to the concerned authorities.

The committee considered all 1240 cases one by one and appropriate recommendations have been made, following criteria mentioned herein above.

6. The Committee also considered that, in light of the present UGC Regulations for all appointments of Lecturers, NET/SLET should be insisted upon.
